We Cultivate Dreams to your Life...

The initiative is to establish an IT infrastructure based Rural Business Centers with all the facilities and ambiance at par with business centers in cities if nothing better. The philosophy of this investment is based on experiences of Indian Industry and Business which could never grow in Rural India due to lack of proper infrastructure of Roads, Hotels, Power, water or time saving air travel. Mr. Sanjiv Sharma the visionary of the project conceives a complete ICT infrastructure. Jaikisan.org's Kisan Soochna Kendra, Kisan Vyapaar Kendra, Jaikisan Foods, Jaikisan Rural Tourism, Jaikisan Media, Jaikisan Human Resource and Call centers are complete solution in this regard. This is where Jaikisan initiative differs from any other rural initiative in the country.

Jaikisan.org's ambitious plan of establishing Kisan Soochna Kendras to reach out to every individual to village level, establish connectivity to the remotest area in India makes the project unique and attracts business options of Banking, trading, education, entertainment, SHGs, NGOs and agri production under one roof. Jaikisan Network consists of:

Kisan Soochna Kendras :Multilingual Knowledge system without barriers.

Kisan Vyapaar Kendras :Economy & Commerce creating wealth with Rural ecosystem.

JaiKisan foods: Purity of Farm produce delivered directly to household,

Jaikisan Hospitality : Rural tourism and Travel,

Jaikisan Media :TV, FM RADIO, News Paper.

Jaikisan Human resource :Education and Employment initiatives.

At Every Kisan Soochna Kendra our efforts are to promote SHG based collective & self-sustaining business operations like food processing & packaging, spice making, collection of organic products, papad, Achars Chatni, Juices, Pulps, Puris making etc. These products are produced Processes, Packed and Marketed by Village based SHGs Branded as Jaikisan under strict quality control. The Brand from Jaikisan assures consumer the trust of purity, surety with assurance of payment and delivery. There are 9000 such SHGs in Uttaranchal linked to State Bank of India under this scheme and growing every day. Every Kisan Soochna Kendra is operated by three trained computer operators available from morning 8 a.m. to evening 8 p.m. working in shifts with additional support of Talking Websites of Jaikisan call centers and Back offices conducting business even when Kisan Soochna Kendras are not operational.

Jaikisan & Department of Post

Apart from 3000 Kisan Soochna Kendra's (KSK) network in rural Uttaranchal. We are associated with postal department to establish KSK network with post offices creating better business opportunities aided by technology and business structure of Jaikisan.org and its partners extending reach of Kisan Soochna Kendra Network throughout the country Rural India as well as urban. In near future we hope to extend our services through petrol pumps in also. This infrastructure network is available for all Governments, Financial Institutions and Companies interested in establishing their reach throughout the country at the most economical cost. Sharing the benefits of modern business center without any infrastructure or administrative costs but only paying for the utilization

In this respect the complete team of Jaikisan.Org,, network of Kisan Soochna Kendra and Jaikisan Call centers are available at your disposal to support a great cause of creating employment, Business and development in villages of India.
